To make this cat, we will start with making his body. After this, we will make his ears, arms, legs, and cheeks!

CAT

Let's make the cat! To make the cat, we start by making the head which works into the body. They are one continuous piece.

HEAD/BODY: IN MAIN COLOR

Round 1: 6 Sc in Magic Ring (6)

Round 2: *Inc* all around (12)

Round 3: *Inc, Sc* all around (18)

Round 4-8: *Sc* all around (18)

Round 9: *Dec, Sc* all around (12)

Round 10: *Dec, Sc* all around (8)

Round 11: *Inc, Sc* all around (12)

Stuff head here. Continue stuffing after every few rounds. Now we're working on the body part.

ADDING STUFFING!

Round 12: *Inc, Sc 2* all around (16)

Round 13: *Inc, Sc 3* all around (20)

Round 14-17: *Sc* all around (20)

Round 18: *Dec, Sc 3* all around (16)

Round 19: *Dec, Sc 2* all around (12)

Round 20: *Dec, Sc* all around (6)

Finish off, leaving a long tail for sewing. Sew the bottom closed and weave in any ends.

**LET'S GET TO
BUSINESS!**

**Now we will make the ears,
arms, and legs!**

EARS: (MAKE 2) IN MAIN COLOR

Round 1: 6 Sc in Magic Ring (6)

Round 2: *Sc* all around (6)

Round 3: *Inc, Sc 2* all around (8)

Finish off, leaving a long tail for sewing. Pin the ears on as shown and sew on. Weave in any ends.

ARMS: (MAKE 2) IN MAIN COLOR

Round 1: 6 Sc in Magic Ring (6)

Round 2-6: *Sc* all around (6)

Finish off, leaving a long tail for sewing. Pin the arms on as shown. Be sure to pin the tip of the arms to the head so it looks like the cat is holding his sleepy head. Sew on the arms at the base and to the head and weave in any ends.

LEGS: (MAKE 2) IN MAIN COLOR

Round 1: 6 Sc into a Magic Ring (6)

Round 2: *Sc* all around (6)

Round 3: *Inc, Sc* all around (9)

Finish off, leaving a long tail for sewing. Pin each leg on and sew closed. Weave in ends.

CHEEKS: (MAKE 2) IN WHITE

Round 1: 6 Sc into a Magic Ring (6)

Finish off, leaving a long tail for sewing. Pin each cheek on and sew closed. Weave in ends.

Note: Be sure to pin each cheek next to each other.

NOSE: IN PINK

Insert needle with pink yarn into the white cheek near the top middle as shown, and pull needle out at the right cheek as shown (**Pic 1-2**). Reinsert needle into the same first insertion spot and pull needle out at the same area of the right cheek (**Pic 3-4**). Repeat this 2 more times (**Pics 5-7**).

Note that you can guide the yarn to which area it will land before you fully pull the yarn through the cheeks! Once the nose is sewed on, tie both ends of yarn into knots and weave them into the cat to hide the yarn. Cut any excess yarn.

EYES: IN BLACK EMBROIDERY THREAD

Insert needle with thread into the right eye area of the cat and pull needle out one stitch to the left as shown (Pic 1). Reinsert needle one stitch over, and pull needle out as shown (Pic 2). Pull the needle through (Pic 3-4).

Reinsert needle one stitch to the left (Pic 5). Pull needle out at the very corner of the right eye (Pic 6). Reinsert needle one stitch to the left and pull needle through as we did previously (Pic 7). Reinsert needle one stitch to the left as shown (Pic 8). Pull needle out to the original insertion point. Tie ends of thread into firm knots and weave into the cat to hide.

Done!
